

# Seabourn Odyssey

As you sail through the Mediterranean Sea you may find time to explore the colourful cultures and lost civilisations of Ancient Europe. Optional excursions include visits to the ancient site of Pergamon; carved into the upper slopes of a volcanic hill in the 3rd century it was the centre of arts and learning and home to one of the greatest libraries of antiquity, possessing over 200,000 volumes; or Syracuse, a powerful Greek city to rival Athens. It was here Archimedes was born and Paul converted the citizens to Christianity.
