

Crystal Symphony

Whilst sailing on Crystal Symphony, you'll find a host of excursions to tempt you from the comforts of the ship. Marvel at the majesty of Alaska by helicopter, train and bicycle or even zip-line; visit historical Colonial landmarks on the New England seaboard, and watch whales in the waters off Nova Scotia. Step ashore to rest upon the golden sands of Mexico, snorkel or dive in the technicolour waters where giant Manta Rays navigate the depths and dolphins and sea lions frolic on the surface.
