

# Silver Whisper

There's plenty to enjoy on a not-so-classic transatlantic cruise from Southampton to New York on-board the Silver Whisper. In between exploring the rugged shores of Nova Scotia and kissing the Blarney Stone, retreat to the spa or the observation lounge to enjoy the views. Whilst, on a Baltic cruise you'll discover a Europe rich with artistry; spend some time admiring St Petersburg's network of canals and Baroque and Neo Classical architecture – built by Italian architects, it feels very European unlike its Moscow counterpart.
