

Silver Cloud

Silver Cloud invites its guests to immerse themselves in the unique landscapes of Brazil as they pass through remote jungle villages en route to the Caribbean. Other adventures include travelling along the pathways of the Vikings through the Norwegian Fjords to Scandinavia and exploring the landscapes and seascapes of our very own native waters, travelling to places like Portree, the setting for Bonnie Prince Charlie's last days in Scotland and Oban, the seafood capital of Scotland, through the Irish Sea to Dublin before heading back home to Southampton.
