

Azamara Quest

Amalfi Coast Voyage

11 Days from 19 August 2011

This Azamara cruise has a wonderful vantage point because the Amalfi coastline and its fabulous resorts can be admired and then accessed from the ocean. From Italy to Greece, Montenegro and Croatia, the shores are lined with colourful, cliff-hugging townhouses, cosy fishing ports and impossibly blue water lapping pebbled sands – the romance is inescapable, the seduction totally unavoidable.
