

M/S Paul Gauguin Society Islands

8 Days from 22 July 2011

From the capital island of French Polynesia, sail to Raiatea and visit the ancient maraes or temples of stones – it is believed that during ritual ceremonies the spirits of the gods were able to inhabit these physical spaces. From here, on to the island of Moorea, a beautiful paradise filled with mountains, lagoons and palm-fringed beaches from where you might see dolphins playing in their natural habitat.
