

Crystal Serenity

Venice to Barcelona

11 Days from 1 October 2011

This cruise takes you from Venice's network of canals to Sicily, the largest island in the Mediterranean and once the centre of the known world. From here to Taormina and on to Civitavecchia, just ninety minutes from Rome, then to Monaco. Once a Greek settlement, Monaco was conquered by the Romans and then bought from the Genoese by the Grimaldis, who still rule to this day.
