PRESS RELEASE

ELEGANT RESORTS LAUNCHES ITS NEW BROCHURE 'RECONNECT WITH THE WORLD'

Leading luxury tour operator Elegant Resorts is delighted to be launching its first mini-brochure of 2020 this week. 'Reconnect with the World' aims to inspire clients to travel with confidence, featuring a wide variety of exclusive rates, upgrades and added value offers – many of which are exclusive to the operator – from luxury hotels and resorts around the world.

There's also a selection of private villas for those seeking seclusion, a fantastic focus on Thailand and further information on the brand's luxury United Kingdom and Ireland portfolio, specially introduced following the heightened demand for staycations. Elegant Resorts continues to reassure clients that they can book and travel with confidence, as they create valuable luxury travel experiences that are financially protected and designed by true experts in their field.

Managing Director Lisa Fitzell commented: "With low consumer confidence following the setbacks and changes we have all experienced over the past few months, we want to reignite their love of travel, rebuild their confidence and show them all of the wonderful places ready and awaiting their stay.

Elegant Resorts' clients and agents are always in safe hands. Our team has a wealth of experience and we're working hard to provide as much flexibility and protection as possible. Holidays are so important for everyone's wellbeing and we only want our clients to experience the very best in luxury travel."
