### ELEGANT RESORTS RAMPS UP AGENT TRAINING VIA A WIDE COLLECTION OF VIRTUAL EVENTS

---

Leading luxury tour operator Elegant Resorts has coordinated a series of virtual events specially designed for travel agents to keep in touch and brush up on their product and destination knowledge in a relaxed and informal environment. These inspiring webinars are taking place between now and the end of April 2021.

Each session is led by Elegant Resorts' key suppliers and focusses on hotels, destinations or themes and can include a selection of drinks and food sent in advance for all participating agents to enjoy.

The first sessions were a real success with over 50 agents attending each virtual event and included a presentation of Western Australia alongside a wine tasting experience, a tour of Elounda Gulf Villas in Crete, a luxury Greek culinary journey with Marriott, and time with Mindful Escapes and Ananda in the Himalayas.

Coming up:

- Tuscany (Various hotels) – March 2021
- Barbados the Elegant Way – March 2021
- Specialist Caribbean – March 2021
- Luxury cruise – March 2021

Jon Hardcastle, Head of Agency Sales at Elegant Resorts commented: "We love organising these events, they are fun, informative and they help us remain in touch with each other during uncertain times. These sessions hopefully leave agents full of inspiration and help secure those precious bookings. We are keen to maintain strong relationships despite the current restrictions, and as we've received such an amazing response, we've planned many more."
