ELEGANT RESORTS HONOURS THE BEST IN LUXURY TRAVEL AT VIRTUAL ANNUAL AWARDS CEREMONY

This week, leading luxury tour operator Elegant Resorts hosted its Annual Awards Ceremony online for the second time. More than 100 hoteliers, airline representatives, DMCs and travel agents from around the world attended the virtual event, which included industry updates and news on the latest travel trends, in addition to recognising those going above and beyond during the 2021 COVID-19 crisis.

Eleven awards were voted for by the Elegant Resorts team, these included the coveted 'Client Choice Award' and 'Travel Agents Choice Award', which hold great prestige for those in the industry.

At this exclusive occasion, awards were presented by the team at Elegant Resorts, including Managing Director, Lisa Fitzell.

Commenting on the awards, Lisa Fitzell said, "Every year, we are delighted to be able to celebrate the companies, people and hotels that help us to create unforgettable memories for our discerning clients, and this year, we felt we had even more reason to recognise the wonderful partners we work with. We have been going through an incredibly challenging time, and while the road to recovery will remain bumpy for a while, with everyone's hard work and commitment to excellence, we are in a good position to recover. We look forward to a successful 2022, working in partnership with our suppliers, where we can safely return to normal and design the most personalised luxury holidays to destinations around the world once again."
