PRESS RELEASE
Our First Travel Guide on the Wonderful World of Ski and Snow

There is nothing more exhilarating than gliding down glistening mountain slopes or racing huskies amongst a winter wonderland, before indulging in the luxurious world of après-ski and relaxing by a cosy chalet log fire.

Elegant Resorts is delighted to present our new luxury guide, *Discover Ski & Snow 2015/16.* Bringing together a superb collection of luxurious accommodation options and key destination information, our guide showcases the best resorts from our Luxury Ski portfolio across Europe and North America.

From romantic, boutique-style lodges, to larger resort hotels with Ski-in/Ski-out access or private chalets, we have something to suit everyone. Our new guide covers the best resorts in France, Austria, Switzerland, Italy, USA and Canada, with checklists to see at a glance what each resort offers.

Produced by our luxury Ski Specialists, who share their first-hand knowledge and insider tips about fabulous winter activities, our inspirational articles include Get Ski Fit, Summer Lakes & Mountains and Top 5 Activities for Families. Also included is information to stay safe on the slopes, a beginner's guide to ski terminology and an introduction to snowboarding.

> *Guests who book a stay at our newly featured resort, **The Chedi Andermatt, Switzerland** before 29 November 2015 can enjoy wonderful offers, including complimentary ski passes.
