

## **PRESS RELEASE**

### **ELEGANT RESORTS FLYING HIGH WITH GLOSSY MAGAZINE**

Following the resounding success of its launch edition back in February, luxury travel company Elegant Resorts has released the second edition of its glossy lifestyle magazine 'Elegant Traveller'. Jam-packed with all things 'luxury', the stylish magazine, designed in-house by a dedicated editorial team at its Chester headquarters, features an eclectic selection of articles perfect for coffee table reading.

The luxury travel company has been inundated with praise from clients and hoteliers alike for producing such an informative, stylish and classy read, and issue two promises to be just as popular. Within its glossy pages, you'll find an eclectic mix of articles virtually covering the globe. There's everything from what makes Sandy Lane, Barbados so special; the diary of a Californian road trip, to a Travel Consultant's adventures in Vietnam and much, much more.

There's also the second edition of 'Ask Graham' – a chance for readers to ask the acclaimed travel writer, Graham Boynton for his advice on a number of travel conundrums.
