March 2016: The UK's leading luxury tour operator, Elegant Resorts, is pushing the boundaries of high-end adventure and experiential travel, through a unique collaboration with Mark Healey.

An intrepid explorer, born and raised on the North Shore of Oahu, the Pacific Ocean shaped Mark's world. A professional big-wave surfer, champion spear fisherman, Great White rider, free-diver, conservationist, Hollywood stuntman and adventure film star in the forthcoming big-wave surf epic, 'Atlas Rising', Mark has unparalleled experience of the ocean.

For over two decades, Mark has been redefining ocean sports; his passion has led to the creation of Healey Water Ops (HWO), established to provide clients with an exciting, immersive, safe and trusted opportunity to explore the oceans in ways previously inaccessible to the general public.

Working with Elegant Resorts, HWO delivers more than just a luxury holiday; clients can learn how to catch bigger waves, bigger fish and dive deeper than ever before, all while gaining a new appreciation for our watery planet.

Two exceptional itineraries – Ultimate Surf Safari and Ultimate Dive Tour – have been crafted in Mark's home of Hawaii. Combining Elegant Resorts' signature quality and luxury with the unique knowledge, expertise and passion of Mark and his team, these world exclusive itineraries deliver incomparable opportunities for ocean exploration and adventure.
