

Elegant Resorts teams up with Pierre Carr Exclusive Tropical Weddings

Tying the knot in the Caribbean is a truly magical experience. Saying your vows under swaying palm trees with the Ocean as your backdrop and surrounded by loved ones is many couple's idea of the perfect day and here at **Elegant Resorts** we're delighted to have teamed up with **Pierre Carr Exclusive Tropical Weddings** to help make those dreams come true.

It's the perfect partnership, pairing logistical detailing of foreign travel with that sprinkle of fairy dust essential to make a memorable wedding.

Both companies are established high-end brands, with gorgeous portfolios of prior events to give brides an idea of just what they can achieve. Whether you've got a clear picture in your head of how you want your wedding to look, or if you are more open to suggestions, the Elegant Resorts and Pierre Carr teams will help make your dream a reality.

Attention to detail is paramount and it all starts with an initial consultation with Elegant Resorts and a Pierre Carr wedding planner to talk through your wish list. Once your dream location has been found, your individual requirements will be discussed in detail, enabling Pierre Carr to create your personalised step-by-step guide, listing key dates and information about the design and planning process to follow.

Pierre Carr offers a variety of services including renewing your vows, invitations, rehearsal dinners and special touches on the day such as flowers, transport and coordination, as well as guiding you through all the legal requirements. You can be involved in as little or as much as you wish, but by entrusting the handling of all the details to Pierre Carr Exclusive Tropical Weddings and the travel arrangements to Elegant Resorts, you can rest assured that everything is in capable hands and you will have the wedding of your dreams.

With a stunning choice of five-star Caribbean hotels and resorts to choose from, Elegant Resorts will take care of all your travel arrangements for you and your guests as well as ensuring your choice of venue meets your every need. Why not also consider jetting off to another Caribbean island for your romantic honeymoon where you can relive the joy of your special day in complete tranquility.
