The Ultimate New York Package – Culture & Couture

Elegant Resorts is delighted to enclose details of a bespoke 'Culture & Couture' package to New York, the 'City That Never Sleeps'.

Blending a thrilling mix of sightseeing and shopping, our itinerary includes an exciting four-hour shopping trip with Elegant Resorts' Exclusive Personal Shopper, Joan Kaufman (who will guide you to the finest stores and pick out the best pieces for your personal style), plus a \$500 Bergdorf Goodman gift certificate. For an injection of culture, two complimentary tickets are also included for The Metropolitan Museum of Art, one of the most iconic art museums in the world.

In addition, the luxury trip also comprises a private SUV-guided tour of the city, customised specifically to individual interests. With a rich and varied array of things to see and do, the city is split into fascinating neighbourhoods, from Little Italy and Chinatown, to Greenwich Village with its Bohemian ambience, and SoHo with its boutique-style art galleries and shops. Don't miss the iconic Empire State Building, the Statue of Liberty and Times Square on your travels.

Situated in a fantastic location, The Ritz-Carlton New York, Central Park brings the brand's signature luxury to the heart of Manhattan and will be your home-away-from-home during your luxury stay, just a short walk from Fifth Avenue, Broadway and the Rockefeller Center.
