Experience Timeless Moments and Exceptional Service with Belmond and Elegant Resorts

Elegant Resorts is delighted to reveal details of an exclusive collaboration between Belmond and Elegant Resorts, commencing this week. Showcasing the best of Belmond, the Timeless Moments campaign gives Elegant Resorts exclusive access to the Belmond brand to offer clients the most exceptional service, together with a dazzling array of unforgettable moments.

In preparation for this campaign, Elegant Resorts were able to uncover precious details from Belmond properties' archives, including the first signature in Belmond Hotel Splendido's guest book, belonging to none other than Mrs Wallis Simpson, and a White House-monogrammed letter of thanks from First Lady, Jacqueline Kennedy dated 1962. Everything from a cocktail crafted for George Clooney's mother, to 'Spagetti a Elizabeth' for Elizabeth Taylor has been delightfully documented for this unique campaign.

Speaking exclusively to senior members of Belmond's flawless staff, Elegant Resorts was given unrivalled access to the essence of luxury that defines Belmond hotels. From 20th February to 12th March Elegant Resorts will be revealing exclusive content across social media, e-mail and the Elegant Resorts website. Across the next three weeks, Elegant Resorts clients can discover the passion behind Belmond's magic, the iconic moments that their resplendent hotels have hosted and follow in the footsteps of the enchanting guests and personalities that have graced Belmond's European portfolio for decades.

Elegant Resorts' exclusive interviews reveal expert insights including travel tips, city guides, bespoke experiences and even recipes to enjoy a taste of Belmond's first-class service at home.

Also included in this inspired campaign are seven exclusive luxury travel experiences at each Belmond property. Guests can choose from a candlelight cruise, private 'disappearing' island experience, diving in groundbreaking underwater biospheres, stunning art exhibitions and the iconic Godfather Tour.

The 'bellissimo' of Belmond is best described by those who know it best, and together with Elegant Resorts the charm of these most captivating properties can be experienced first-hand. Furthermore, when Elegant Resorts' clients are inspired to enjoy an unforgettable stay at any one of their seven luxury featured Belmond properties, they will receive complimentary refreshments in addition to their extraordinary Timeless Moment.
