

Elegant Resorts Introduces Costa Rica to its Luxury Portfolio

Elegant Resorts is delighted to add colourful Costa Rica to its expanding portfolio and highlights the incredible wildlife attractions and adventure pursuits you can enjoy across this diverse Central America country.

Boasting pristine rainforest, intense biodiversity and coastlines on the Caribbean and Pacific Oceans, Costa Rica is a wilderness in Central America just waiting to be explored. With 5% of the world's biodiversity found across 25 national parks, visitors can spot rare, endangered species such as the puma, jaguar and Harpy Eagle — not to mention the Red-Eyed Tree Frog, Three-toed Sloth and vibrant Scarlet Macaw. A captivating touring destination for honeymooners, couples and families alike, our Senior Product Manager, Caroline Beckett, explains how expert guides, eco lodges, wildlife encounters and coastal attractions combine to make Costa Rica a thrilling destination for a luxury adventure holiday. Visitors can glide through the forest canopy on a zip-wire, river-raft to a remote lodge, bathe in a thermal spring, surf along the coast and spot Humpback Whales. The authentic hospitality, captivating wildlife and sensational scenery make Costa Rica a thrilling destination for all the senses.

"Must-do experiences include hiking beside Arenal Volcano, zip-lining, white-water rafting and visiting a working coffee plantation, whilst those seeking a relaxing finale will adore the remote, seemingly untouched, beaches of the Osa Peninsula."

Caroline Beckett, Senior Product Manager, Elegant Resorts
