

LOCAL LUXURY TOUR OPERATOR TEAMS UP WITH SAVE THE FAMILY TO GIVE A GIFT THIS CHRISTMAS

There are few things more exciting than opening presents on Christmas day, and this year, Elegant Resorts has teamed up with Chester based charity "Save The Family" to spread the excitement a little further in our local community.

Staff from the Chester based luxury travel company have kindly donated new toys, books and gifts to the "Save The Family" Christmas appeal. Established more than 40 years ago, this fantastic organisation supports families from across Cheshire and North Wales who have become homeless or are at risk of becoming homeless. For the parents of these families, Christmas can be a particularly stressful time. By kindly donating toys and gifts, staff at Elegant Resorts have helped to alleviate some of these pressures and make Christmas special for the thirty families who are currently in the care of the charity.

Lisa Fitzell, Managing Director of Elegant Resorts said "Save The Family is an absolutely fantastic cause and we are delighted to be able to support this wonderful local charity in the lead up to Christmas. Many of our staff have family of their own, so we all know the importance of giving gifts – especially to children – at this time of year. I would like to personally thank all of the staff for their generosity when contributing to this great cause"

Lisa is passionate about supporting charities which is reflected in "Elegant Cares", launched earlier this year. As part of this initiative Elegant Resorts takes part in regular local and national fundraising. Donations came in throughout December and were presented to Suzanne Woods of Save The Family charity at Elegant House on 19th December 2018.
