## PRESS RELEASE

### STAFF AT ELEGANT RESORTS GO RED FOR COMIC RELIEF

On Friday 15th March 2019, staff from Elegant Resorts had an exciting day of fundraising to support Comic Relief.

The theme for the day was "Wear Something Red". Red socks, red t-shirts and red noses were all on show, whilst some staff simply came to work dressed head-to-toe in red! Throughout the day, the company also hosted a cake sale, with staff baking and selling a range of tasty delights which were sold to raise funds.

By the end of the day, the team at Elegant Resorts had raised £193.80 for Comic Relief. This will help to support poor and disadvantaged people in the UK and the world's poorest communities.
